Dear Mr. Neale,

Natfhe - Course Committee Representation

I refer to a letter sent by David Bunch and dated 8th January, 1985.

I am now, at last, in a position to inform you of most of our course committee representatives. The attached list is, however, incomplete for appropriate nominations are still awaited from Natfhe members. Vacancies exist for ~~five~~^{four} of the sixteen places numbered on my list as 1, 2, 3, 4 and 8.

As soon as Natfhe nominates members for these vacancies I shall let you know.

I apologise for the long delay in attending to Natfhe representation on the YHAFHE Course Committees.

Yours sincerely,

Georg Williams
